

Newsletter April 2015

Hearty Greetings to all our members, subscribers and well wishers of AAAWI. In this issue (Vol 2 No 3) as usual there is plenty of news, information along with standard features (Being called “ In lighter vein” from this issue)

Last of the interns left in March, all with high praises for AAAWI, all with wishes for coming back. The Executive committee continues to look for volunteers in this field, lest we have to curtail number of interns opted. We have already received 7 applications from sponsors for Internship Programme 2015. Several Managing Committee meetings were held and important decisions were taken inter alia.

- 1) More stress on
 - a. Starting Japanese Language classes
 - b. Holding more programs
 - c. Updation of infrastructure
 - d. More positive role in FAAAI & SAFAAS.

A program on PONZI SCHEMES will be held at our premises on 12th April. Members must take advantage of this important “Caveat” for investors.

A Executive committee meeting was held on March 27th and decision regarding the following have been taken

- There was a discussion about revival of our association with Hippo family Club/LEX Institute. Our member Mr. Bomi Patel has agreed to take lead in this matter.
- Our members Mr. Mehrothra & Mr. Rathod have volunteered to spend a day with new Interns.
- There was a discussion about holding a program by our own members for contributing to NGO for social causes.

FAAAI senior members meeting is scheduled for end of April, again this will have important bearing on availability of funds.

HIDA has already started initiative for Interns and WNF for current year.

Do make it a habit to check website for updates, especially regarding Japanese Language courses.
