

March 2018 Newsletter

Hello everyone, and a warm welcome to you all.
This month we have the following news.

- 1) The Japanese intern has gone back in second week of February. He had a fruitful time in the training center and visiting places of interest around Mumbai.
- 2) AOTS has announced the ARI training program. We have Mr. Aditya Gune who will be attending the Toyota Management System training program.
- 3) Our member Mr. H. R. Prasanna has been selected as faculty to deliver lectures on WNF Green Productivity Seminar.
- 4) The 2nd National Quality Control Innovation Seminar in Pune was very successful with AAAWI as a co- sponsor. The program received immense participation and praise.
